

Our  
Mission

Go into the world and preach the good news to all creation.  
Mark 16:15

For you see God loved the world so much, with the result that He gave His Son, the uniquely born One, in order that everyone who believes in Him should not perish but have eternal life. John 3:16

He who believes in the Son (Jesus Christ) has eternal life; but he who does not [believe] the Son will not see life, but the wrath of God abides on him. John 3:36

Despite these 'obstacles' to God's grace, there are always individuals and even groups of people who are positive to the Gospel of Jesus Christ and Bible doctrine, those who are willing to undergo the mental rigors of strict academic discipline required for consistent inculcation of Bible doctrine into the soul. As the Lord presents these opportunities to us we use both the spiritual and material resources He has given to us to provide these believers with the means to fulfill the command to grow in the grace and knowledge of our Lord and Savior, Jesus Christ (2 Peter 3:18).

## About Tim and Oi

### Our Mission

Tim and Oi were introduced to Bible doctrine when Max Klein began teaching in Chiangmai, Thailand. Not long after Tim also began learning Greek, Hebrew and History with Max, and also took on the role of translating and printing materials into the Thai language. In 2006 Tim was accepted as a missionary to Operation Grace World Ministries, and has since continued to work closely with Max in disseminating Bible doctrine to interested believers throughout Thailand, the Philippines and more recently India, emphasizing the grace messages of salvation and the post-salvation spiritual life which God has made available to all who are willing to learn (1 Timothy 2:3-4).

### Purpose

Religion permeates the culture at every level throughout almost every Asian nation, with all religions and sects sharing the same common goal: that man's entry into heaven depends entirely on his own efforts, based upon a system of personal merit. Even within most Christian churches the concept of 'Faith alone, in Christ alone' is seldom understood, and most churches also perpetuate the notion that the Christian life is some form of emotionalism and/or religious ritualism.

### Methods and Means

- To continue working together with Max in translating and publishing written materials for distribution.
- Making known the availability of accurate and well-presented doctrine, in the form of booklets, CDs, DVDs and via the Internet.
- Teaching Bible doctrine to interested adults.
- Making known the importance of children's ministry within the local church. Praying that God will lead positive young men with the gift of pastor-teacher to the ministry.

### Goals

Our goal for the ministry is to establish a permanent means by which the Word of God may be perpetuated in the Asian region.
